RE: Street Closing/Quit Claim Request
Portion of College Drive/Holiday Avenue

DATE: December 5, 2017

Enclosed for your consideration is a street closing/quit claim request for a portion of College Drive, formerly known as Holiday Avenue. Please review the documents and return written comments stating approval/disapproval to this office no later than December 14, 2017. A street closing sign notice has been posted on the property and a public notice is being advertised. A first reading on the closing request was held at the December 4th Mayor and Council meeting and a second reading will be held at the December 18th meeting. Thank you for your assistance in this process and please call me should you have any questions.

**RE: Street Closing/Quit Claim Request
College Drive/formerly known as Holiday Ave.**

Dear Mayor Mock:

As requested in your December 5, 2017, memorandum, Dalton Utilities has reviewed the street closing/quit claim request for a portion of College Drive. The following paragraphs will detail our response and contingent approval of the closure.

Dalton Utilities currently maintains electrical, natural gas, water, sewer and telecommunications services along this portion of College Drive. These utility lines must remain in place in order to maintain the level of service currently needed by utility customers. Therefore, it is imperative that we are provided with a permanent access and utility easement for future maintenance and/or replacement of this critical infrastructure. **It is also important to note that no permanent structure may be constructed above any of the below ground utility lines (natural gas, water and sewer).**

Electric and Fiber Optic: Electrical and fiber optic infrastructure is currently above ground type construction along this portion of College Drive. We understand that the potential future development of this property might require relocation of a portion of these lines and those costs will be passed along to the developer as per normal procedures.

Natural Gas: The existing natural gas line that runs parallel to College Drive must remain in service as it feeds the gas line that runs under I-75 and is a major feed to the commercial customers along W. Walnut Avenue.

Water and Sewer: Both of these utility lines will remain in place along the closed section of College Drive, provided that an easement is allowed for future maintenance and replacement of these lines as necessary. Again, similar to the above referenced natural gas line, both of these utility lines also run under I-75 and cross this section of property to

be sold to the adjacent property owner. These lines are critical to maintain utility service to customers on both sides of the Interstate along Walnut Avenue and surrounding area(s).

Our approval of the road closure is contingent upon the retention of a permanent access and utility easement as noted previously. It would be prudent of the potential land owner to familiarize himself with the location of these utility lines and the impact that his development plans could have on these utilities. Please do not hesitate to contact me at (706) 529-1011 or mbuckner@dutil.com should any questions arise or if we may be of assistance.

Sincerely,

Mark Buckner

C. MOODY'S RESERVATION OF RIGHTS AND DISCLAIMERS

- 1. **Rating Actions.** Moody's rating(s) or any corresponding outlook, if assigned, are subject to revision, suspension or withdrawal, or may be placed on review, by us at any time, without notice, in our sole discretion. Notwithstanding anything to the contrary contained in this Application, Moody's reserves the right to publish any rating with respect to you or any of your securities at any time without consent from you, or any other party, whether or not this Application is in effect. We are an independent rating agency and may determine, apply and amend our methodologies in our sole discretion from time to time. Moody's will not be obliged to opine whether certain specified events or amendments to the Transaction's structure or documentation will result in a change in, or withdrawal of, any related rating(s) (such opinion, in whatever form, along with any information or feedback relating to it, a "RAC"). Moody's may, in its sole discretion, determine not to issue a rating or take any other rating action under this Application for any reason, including if the information requested in the Authorization Form with respect to the payor is not provided in a timely manner. You will ensure that Moody's is provided with prompt written notice of any change in the payor information set forth in the Authorization Form or otherwise provided by you to Moody's, including, without limitation, any such change made on or after the closing of the Issue. This notice will be sent to PayorUpdate@moody's.com (or any other e-mail address as Moody's instructs you hereafter).

2. **Disclaimer of Advice.** We are not: (a) providing any financial, legal, tax, advisory, consultative or business services; or (b) advising on structuring, drafting or negotiating transaction documentation. You and the Issuer should each take independent legal, tax, financial and other advice when structuring, negotiating and documenting transactions. You agree that neither a rating nor any discussions with Moody's analysts constitutes advice on business operations.
3. **Disclaimer of Warranties.** ALL INFORMATION, INCLUDING RATINGS AND OTHER COMMUNICATIONS, PROVIDED BY MOODY'S RELATING TO YOU, THIS APPLICATION, THE ISSUE OR THE TRANSACTION IS PROVIDED "AS IS" AND WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND. IN PARTICULAR, NEITHER MOODY'S NOR ITS AGENTS MAKE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE ACCURACY, TIMELINESS, COMPLETENESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY SUCH INFORMATION OR COMMUNICATION.
4. **Limitation of Liability.** Notwithstanding anything to the contrary contained in this Application, to the extent permitted by applicable law:
 - (a) no one in the Moody's Group will be liable in contract, tort (including negligence), statutory duty or otherwise to anyone (including you and the Issuer) for any loss, liability, claim, injury or cost, whether direct or indirect and however caused (including by any contingency within or beyond the control of anyone in the Moody's Group), arising from or in connection with this Application, the Transaction or Moody's services including:
 - (i) the procuring, compilation, analysis, interpretation, communication, dissemination, or delivery of any information or rating;
 - (ii) the withdrawal of any rating and any associated disclosure;
 - (iii) the inability to issue or monitor a rating due to legislative, judicial or administrative decisions;
 - (iv) any change in Moody's methodologies;
 - (v) any unauthorized publication, unauthorized use or any misuse of the rating by you; or
 - (vi) reliance by you on the rating or other communication provided by Moody's; and
 - (b) in any event, the aggregate liability of the Moody's Group for any reason whatsoever related to this Application, the Transaction or our services will not be more than the greater of: (i) the total amount paid by either you and/or the Issuer for the relevant rating(s) during the 12 months prior to the breach; or (ii) US \$50,000 (or the equivalent amount in this Application's billing currency);

provided that nothing in this Application attempts to limit or exclude Moody's liability for fraud, willful misconduct or any other type of liability that under applicable law cannot be limited or excluded.

D. MOODY'S POLICIES

1. **Offering Documents.** Regardless of any past communications or dealings between you and Moody's, we do not consent to or authorize any disclosure of, reference to (including by hyperlink), or other use in any registration statement, offering circular or prospectus (each, an "Offering Document") of any Moody's rating(s), report(s), other disclosures or any information relating to Moody's preparation of such rating(s), report(s) or disclosures. The preceding sentence does not prohibit the disclosure of, reference to, or other use of, any Moody's rating(s) in an Offering Document except in circumstances where such disclosure, reference or use would require a consent or authorization from Moody's to be given and/or filed under any applicable laws, regulations, directives or rules (including, if applicable, the U.S. securities laws or the rules of any securities market or securities exchange). Moody's has not consented to and will not consent to being named as an "expert" or any similar designation under any applicable securities laws, including, without limitation, Section 7 of the Securities Act of 1933.
2. **Web Posting.** If we publish research or press releases regarding you or your Issue(s), either you or the Issuer may link to or post such research or press releases as described in Appendix A.

3. **Moody's Privacy Policy.** For information on how we process and protect personal data, please see our Privacy Policy available at moodys.com.

E. CONFIDENTIALITY PROVISIONS

1. **Applicant Confidentiality.** You agree to keep the provisions of this Application confidential and not to disclose such provisions to any person or entity except: (i) to your group companies, officers, directors, employees and agents; and (ii) as required by applicable law, or at the request of any governmental authority having jurisdiction. You will be responsible for any failure by any of your group companies, officers, directors, employees, or agents to comply with these confidentiality restrictions.
2. **Unpublished Ratings.** See Appendix B for additional legal terms applicable to any unpublished rating, RAC or other opinion delivered by Moody's hereunder, i.e., any rating or other opinion not disclosed by Moody's to the general public at the time of delivery by Moody's.

F. MISCELLANEOUS

1. **Entire Agreement.** This Application represents the whole and only agreement between the parties in relation to its subject matter. When entering into this Application, you did not rely upon any pre-contractual statement or previous agreement which is not repeated in this Application. To the extent permitted by law, no other terms, conditions, representations and warranties that would otherwise be implied (by law or otherwise) are part of this Application. Nothing in this Application attempts to limit or exclude liability for fraudulent misrepresentation.
2. **Assignment.** We may assign this Application to any other Moody's group company without either your consent.
3. **Agents.** We may use, and disclose any information provided to Moody's to, third party contractors or agents bound by confidentiality obligations in connection with Moody's business and research activities.
4. **Governing Law and Jurisdiction.** This Application and any contractual or non-contractual obligations arising from or connected to it are governed by and construed in accordance with the laws of the State of New York in the United States of America and subject to the exclusive jurisdiction of the courts of the State of New York located in the City and County of New York, Borough of Manhattan. To the extent permitted by law, you hereby waive whatever defense you may have of sovereign immunity whether in respect of jurisdiction or enforcement for yourself or for your property.
5. **No Third Party Beneficiaries.** This Application is solely for the benefit of you and Moody's. Everyone comprising Moody's is entitled to the benefit of all protective provisions in this Application. Nothing in this Application will give any other person any legal or equitable right, remedy or claim, except a successor or permitted assignee pursuant to the "Assignment" provision above. This Application may be terminated or amended in accordance with its provisions without the consent of any third party.
6. **Counterparts/Execution/Website Terms.** You agree that this Application, and any amendment or waiver of any of the terms hereof, may be executed by electronic means (including, without limitation, by electronic signature, which shall be deemed binding, valid and enforceable) and together shall constitute a single instrument, and you further agree that facsimile, digitally scanned or other electronically transmitted or electronic copies of signatures shall be valid and binding as originals; provided that no amendment or waiver of this Application will be effective unless executed by an authorized representative of the Global Commercial Group of Moody's. Notwithstanding the foregoing, no one in the Moody's Group will be bound by or subject to any terms or conditions of use ("Website Terms") for access to any website containing information with respect to you, the Issuer, any Issue or Transaction, even if any such person clicks-through or has clicked-through to such Website Terms by electronic means at any time before, on or after the date of this Application.
7. **Severability.** The provisions of this Application are severable. If any such provision or part of any such provision shall to any extent be determined to be void or unenforceable, then the validity and enforceability

of the remainder will not be affected. Furthermore, any void or unenforceable provision will be replaced with a valid and enforceable provision that preserves, to the fullest extent possible, the same economic, business and other purposes as such void or unenforceable provision.

8. **Termination.** If this Application relates to a request for an unpublished rating, then this Application will apply to such unpublished rating only, and any additional requested ratings must be applied for under a separate rating application. If this Application relates to a request for published rating(s), then this Application will renew on each one-year anniversary of the date executed unless you deliver a written notice of cancellation at least thirty (30) days prior to an annual anniversary of this Application. Any fees already paid will be non-refundable, and any fees that were to become due before the next renewal date will remain payable despite the termination. We may terminate this Application at any time in our sole discretion. Except as may be expressly set out elsewhere in this Application, all Application terms and conditions survive any termination hereof.
9. **Instructions.** Please fill out the Authorization Form below and any relevant product request boxes attached, and return the Application to your contact in our Commercial Group. PLEASE ONLY REPLY TO YOUR ACCOUNT MANAGER AT MOODY'S.
10. **NYC Sales Tax.** The New York State Department of Finance has notified Moody's that effective September 1, 2015, New York City sales tax must be charged on all invoices for credit rating services delivered in New York City. The invoice address will determine whether the credit rating service has been delivered in New York City. Please note that New York State sales tax will not apply to these services, only the local New York City tax. Accordingly, on September 1, 2015, Moody's will begin to include New York City sales tax on invoices sent to addresses within the City of New York for credit rating services.

FEE RULES

1. INDICATIVE RATING SERVICE

The fee for an issue that has been assigned a preliminary rating indicator will be 75% of the standard fee. If an application for a public underlying and/or insured rating is received within six months of the assignment of the indicative rating, the indicative rating fee will be credited against the charges outlined on the current fee schedule. Circumstances under which Indicative Ratings may be published by Moody's include, without limitation (i) as required by law, regulation, judicial or governmental order, subpoena or other legal process or requested or required by any governmental or regulatory authority, (ii) in the event that the Indicative Rating is disclosed (other than by Moody's or any affiliate of Moody's) to any third party other than as expressly permitted pursuant to the confidentiality provisions set forth in Appendix B to this Rating Application, or (iii) in the event that a rating agency other than Moody's publishes a rating with respect to the issue to which this Rating Application relates. Any excess of the indicative rating fee over the actual charges for the subsequently assigned definitive rating is non-refundable.

2. PRIVATE MONITORED RATING

Private Monitored Ratings (PMRs) are available to issuers who do not currently have a public rating with Moody's. PMRs are assigned by Moody's at the entity (institutional) level only. For issuers requiring ratings insight into proposed debt instruments, which are not related to a credit transforming event, then indicative ratings are available (see above).

Indicative ratings are available to issuers simultaneously with the PMR service or on a standalone basis. An issuer with an active PMR may request Moody's to assign an indicative rating to the issuer's forthcoming debt instrument. A non-refundable Indicative Rating Fee will be charged.

Private credit ratings are defined in European law as credit ratings "produced pursuant to an individual order and provided exclusively to the person who placed the order" that "are not intended for public disclosure or distribution by subscription" and are subject to a duty of confidentiality and limitations on distribution (as set out below). Private credit ratings may not be used for regulatory purposes in certain jurisdictions, including in the European Union.

An issuer may request for an active PMR rating to be published at no additional cost.

The initial and annual fees for a PMR will be equivalent to the initial and annual fees for issuer ratings as set forth and will be payable as set forth above. Please contact the Account Management Team for details.

3A. PUBLIC CREDIT RATING – ISSUER RATING

An initial and an annual fee will be charged based upon the debt outstanding.

3B. PUBLIC CREDIT RATING – BOND RATING

A standard initial fee will be charged based upon the issue size.

Aggregation Fee

Applicable when an obligor is issuing multiple series selling on the same date with the same security type.

***Annual Fee - Water Enterprise, Sewer Enterprise, Combined Water & Sewer Enterprise and All Other Revenue Bonds**

A non-refundable annual fee will be charged to all Water Enterprise, Sewer Enterprise, Combined Water & Sewer Enterprise obligors that issue bonds in 2017 and after, and for obligors issuing all other revenue bonds in April 2018 and after.

The annual fee will be charged 12 months after the initial rating and on each subsequent anniversary covering the prior 12 month period. The amount of the annual fee will be based on the amount of active Moody's long term rated debt for the organization at each anniversary. Only one annual fee would be charged per obligor regardless of issuance.

3C. PUBLIC CREDIT RATING – SHORT-TERM NOTES (Excludes BANs)

A standard fee will be charged based upon the issue size.

3D. PUBLIC CREDIT RATING – BOND ANTICIPATION NOTES

A standard fee will be charged based upon the issue size.

3E. PUBLIC CREDIT RATING – BANK BONDS

This fee is payable at the time of the termination of the rating process. Any excess over the actual charges for the definitive rating is non-refundable.

The fee is payable at the time of cancellation or postponement. If the issue sells within six months, the balance of the original fee will be invoiced. Any excess over the actual charges for the definitive rating is non-refundable.

Additional Fee for 3rd Party Service Providers / Out-of-pocket expenses

Moody's may: (i) request reimbursement of reasonable travel and related expenses; and (ii) in some instances, charge an additional fee for services/opinions provided by a third party in connection with the ratings process. In either of these circumstances, Moody's will seek confirmation from the applicant in advance. Any such fees will be payable upon receipt of an invoice from Moody's.

As used in this Appendix, the term "Research" means written research and press release(s) that we publish as a direct result of this Application regarding the issuer(s) or other entity ("Rated Entity"), issuance(s) or transaction(s) to which this Application relates; provided, however, that, for purposes of this License, the term "Research" does not include any pre-sale reports (e.g., our reports prior to initial sale of the relevant security or other applicable transactional closing), non-public, or unmonitored ratings.

Any such post of our Research may appear only on the website of the Rated Entity. You may only post the most recent Research, in the exact form and format we provide, without any alterations or editing whatsoever (including all disclaimers, logos, and proprietary rights notices included in the Research). You must delete any outdated Research and replace it with the updated Research promptly after Moody's publication of updated Research. You must use Moody's corporate name in plain text font to indicate posting of our Research, and you may not display Moody's logo. However, if you are not a Rated Entity, then you may sublicense the rights granted under this License only to a Rated Entity; provided that in the event of any such sublicense you agree that you will require the Rated Entity to comply with all terms, conditions, restrictions and covenants contained in this Appendix A and you shall be responsible for any failure by the Rated Entity to so comply.

APPENDIX B

Additional Provisions Applicable to our Non-Public Information

As used in this Appendix, the term "Moody's Confidential Information" means any non-public information that Moody's discloses to either of: (i) you or any of your agents; or (ii) if different, any relevant entity on which a rating is requested or whose issuances are requested to be rated under this Application (each, a "Rated Entity") or its agents. Moody's Confidential Information includes any rating and/or other opinion we deliver in connection with this Application that we do not also disclose to the general public at the time of delivery. Furthermore, all of the provisions in this Appendix apply to all Moody's Confidential Information and prevail in the event of any inconsistency with other provisions set out elsewhere in this Application.

Confidentiality and Insider Trading

Moody's Confidential Information may constitute unpublished price sensitive information or otherwise material non-public or inside information, in which case you agree to being made an insider by virtue of receiving it. You also agree to keep Moody's Confidential Information confidential and treat it accordingly. You must refrain from direct or indirect communication or disclosure of Moody's Confidential Information to any person(s) other than:

- a) your employees, officers and directors and those of your ultimate parent and any entities that are wholly owned, directly or indirectly, by your ultimate parent, whose functions reasonably require them to have knowledge of Moody's Confidential Information in order to fulfill their professional duties as agents of the Rated Entity; and
- b) your financial and legal advisors, in their capacity as such, with a need to know, for information purposes only and to whom we owe no duty or responsibility, provided that either (i) they enter into a non-disclosure agreement with Moody's in a form we provided prior to such disclosure, or (ii) we consent to such disclosure and they agree to be bound by the confidentiality obligations and limitation of liability provisions of this Application.

The permissible recipients of Moody's Confidential Information described in sub-paragraphs (a) and (b) above are, together, referred to as "Disclosees".

You will ensure that all Disclosees comply with all of the provisions in this Application and any breach by a Disclosee will be deemed to be a breach of this Application by you. The undertakings in this Confidentiality and Insider Trading section will not prevent you or any Disclosees from disclosing Moody's Confidential Information to the extent required by law or regulation (including as requested by any governmental regulator acting within the scope of its jurisdiction over you or the relevant Disclosee).

Indemnity

To the extent permitted by law, you will indemnify and hold harmless Moody's from any losses, claims, damages, costs or injury (including attorneys' fees) ("Losses") of whatever nature (whether foreseeable or not) arising from or in connection with: (i) reliance on, or disclosure of, Moody's Confidential Information by you or by any third party that has directly or indirectly obtained Moody's Confidential Information from you; or (ii) any breach of this Appendix B by you; provided that this indemnity shall not apply to any Losses to the extent such Losses are attributable to Moody's fraud or willful misconduct. For the avoidance of doubt, this indemnity is in addition to, and will not, in any respect, supersede or replace, the indemnification provision in the main body of this Application, which will also apply with respect to Moody's Confidential Information.

The terms of this Appendix survive termination of this Application.
