9. Announcements:
   City of Dalton government offices will be closed Thursday, November 23rd and Friday, November 24th for the Thanksgiving holidays.

10. Adjournment
On behalf of the Dalton Hospitality Association, I, Yogi Patel, am Requesting the Honorable Mayor and Council to extend serving hours of alcohol on Sunday, December 31st, 2017 to be the same as Monday through Saturday hours as a one-time permission.

Reason For Request: New Year’s Eve Celebration

Local hotels and restaurants would greatly benefit from this extension or they would otherwise lose bulk of New Year’s Eve business to other destinations outside of Dalton. This single night represents substantial revenue for the hospitality industry and sales tax collections for our municipality. Precedent has been set for such permission to be made in the City of Dalton in the year of 2000 and it would greatly benefit the best interests of the Hospitality Industry.

Thank you, in advance, for your consideration.

Best Regards,

AIRPORT CONTRACT
On the motion of Alderman Lowrey, second Alderman Robinson, the Council authorized the Mayor or the Mayor Pro-tem to execute the contract with Barge, Waggoner, Sumner and Canon to provide engineering work at the Dalton Municipal Airport upon legal review. The contract is not a part of these minutes. The vote was unanimous in favor.

EXTENDING HOURS FOR SALES OF ALCOHOL
Representatives from the Dalton Hospitality Association asked the Mayor and Council to extend the serving hours of alcohol beverage establishments on Saturday night/Sunday morning to 2:00 a.m. as it is currently Monday thru Friday and/or extend the hours for New Years Eve 2005.

After some discussion the Mayor stated that he would like the input of Alderman Christie and Grant before forming an opinion regarding the proposal. Elrod stated the council will have a first reading regarding this issue at it's December 5, 2005 meeting which will entail either extending the hours for only New Years Eve 2005 or permanently extending the hours for all Saturday's.

ADJOURNMENT
There being no further business to come before the Mayor and Council, the meeting was adjourned at 6:00 p.m.

The Mayor and Council held a Work Session this evening at 5:15 p.m. in the Council Chambers of City Hall. Present were Mayor Dennis Mock, Alderman Denise Wood, Aldermen Tyree Goodlett, Tate O’Gwin and Gary Crews and Attorney Jonathan Bledsoe and several department heads.

The Mayor and Council reviewed and was briefed on each of the items on the agenda.

**Discussion of Issuing Bonds through the Dalton Building Authority for new Fire Station - Lynn Laughter, Chairman, Whitfield County BOC**
Board of Commissioners Chairman Lynn Laughter and Whitfield County CFO Alicia Vaughn came before the Mayor and Council to discuss the issuance of Bonds through the City of Dalton Building Authority for a new Fire Station that includes the construction and apparatus and equipment. Vaughn stated that the 3 million dollar Bonds will allow the County to construct fire station 12 in the south end of the county and home owners could go from an ISO rating of 10 to a 3 which will save home owners money on their home owner insurance. Vaughn additionally stated that the City of Dalton will not be responsible for the debt services of the bond.

The Mayor and Council stated they would review the material and get back with them.

**Executive Session - Real Estate**
On the motion of Alderman O’Gwin, second Alderman Crews, the Mayor and Council adjourned into Executive Session at 5:23p.m. to discuss real estate. The vote was unanimous in favor.

**GIRL SCOUTS REQUEST - MITCHELL STREET**
Jeven Jensen came before the Mayor and Council regarding a city owned property on Mitchell Street that was previously used by the girl scouts. Amy Dosik, leader of the Girl Scouts of Greater Georgia stated due to some environmental challenges with the building, the Scouts had to move. Dosik stated that they would like to re-visit the challenges and find ways to remediate the issues and invest in the property. Dosik asked if she could meet with Public Works Director Benny Dunn and Andrew Parker. The Mayor and Council agreed.
ADJOURNMENT

RESOLUTION 17-18

RESOLUTION OF THE MAYOR AND COUNCIL OF THE CITY OF DALTON, GEORGIA DECLARING THE RESULTS OF THE ELECTION HELD ON NOVEMBER 7, 2017; AND FOR OTHER RELATED PURPOSES

WHEREAS, the Mayor and Council of the City of Dalton, Georgia (the “Governing Body”), charged with the duties of contracting debts and managing the affairs of the City of Dalton, Georgia (the “City”) and the Dalton Public Schools, and the Whitfield County Board of Elections and Registration, as Election Superintendent (the “Election Superintendent”), called an election on November 7, 2017, for the purpose of submitting to the voters of the City the question of whether general obligation bonds of the City in the maximum aggregate principal amount of not to exceed $50,650,000 (the “Bonds”) shall be issued for the benefit of Dalton Public Schools; and

WHEREAS, the returns of said election were duly brought up by the election managers of said election, and thereupon the several election managers who brought up the returns, in the presence of and together with the Election Superintendent, did consolidate the same and did declare the result of the election to be, as follows:

This agreement incorporates the Planned Maintenance Terms and Conditions which follows.
Planned Maintenance Terms and Conditions

The prices quoted are good for 90 days from quote date. All prices are in US Dollars and are payable in advance unless other terms are agreed upon in writing between the customer and Cummins Power South. Applicable sales taxes are not included in the quoted prices.

Payment terms for customers with an approved Cummins Power South credit account are Net 30 with 1-1/2% interest accruing per month. Any costs incurred by Cummins Power South for collection of customer debt will be passed to the customer. Cummins Power South retains the right to bring suit in Clayton County, Georgia should the customer default.

At Cummins Power South, we are dedicated to the long term health and safety of our employees, our customers and to the environment in which we live. All work will be performed with a high regard for safety and in compliance with all local and federal safety/environmental requirements. Safe access must be provided and maintained to all equipment being serviced by the equipment owner.

Services will be provided only on the equipment identified in this agreement. The services included are defined in the Service Events section of this agreement. The full service event price includes materials, labor, travel time and mileage. Materials consist of lubricating oil, filters, fuel oil filters, coolant filters and up to two gallons of coolant. No other work, materials or activities are included in this agreement. If additional work is required, our technicians will advise the customer of these requirements before any work is initiated. Additional repairs will be billed at our current field service rates.

The term of this Agreement is one year and will automatically renew with up to a 5% increase in parts and labor prices for each renewal term unless either party gives 30 days notice of cancellation before the end of the then-current term.

Limited warranties apply for select parts and service as defined by the respective component Manufacturer’s Limited Warranties or by Cummins Power South’s Limited Service Warranty. No other warranties apply. In no event is Cummins Power South liable for incidental or consequential damages caused by products or services that we supply.

Description: 3rd Party Testing  
Source: Other  

We are pleased to offer the following specifications and pricing to make the following changes:  

This change request is for providing 3rd party materials testing services as provided by Termoon utilizing unit prices for an allowance of $19,178.00. Unit prices include bond, insurance, and fee. The scope of testing services included in this change is as follows:  

1.) Soils - Verifying proper site preparation prior to fill placement through subgrade evaluation and observation of proofrolling.  
2.) Paving Subgrade - Perform in-place field density tests and observe proofrolling of subgrade soils prior to placement of stone.  
3.) Foundations - Perform tests on shallow/spread foundation soils utilizing a dynamic cone penetrometer (DCP) to evaluate soil bearing pressures in shallow foundations. Inspect soils and rock at foundation bearing level to verify that the materials encountered in the foundation excavations are similar to those for which the allowable design bearing pressure was recommended. Provides recommendations for unsuitable soils identified in foundation excavations, if applicable.  
4.) Concrete Testing - Sample fresh, plastic concrete in general accordance with ASTM C172 and ASTM C31. Mold (5) cylinders for compressive strength testing every (50) cubic yards for each class of concrete placed each day. Perform a slump test in accordance with ASTM C143 for each set of specimens or more frequently if changes occur in the consistency. Perform air content tests on normal weight concrete in accordance with ASTM C172 and C231. Measure the concrete and ambient air temperatures in accordance with ASTM C1064. Perform unit weight of concrete in accordance with ASTM C318 for each set of specimens. Record the amount of water and/or admixtures added on the site. Laboratory cure and perform compressive strength testing of cylinders per the contract specifications. Report test results to personnel specified by contract documents.  
5.) Reinforcing Steel - Verify placement of reinforcing steel, including size, grade, type, location, and spacing. Report test results to personnel specified by contract documents.  
6.) Masonry - Verify proportions of site prepared mortar. Verify construction of mortar joints. Verify placement of reinforcing steel, including size, grade, type, location, and spacing. Verify that cells are clean prior to grouting. Observe grout placement. Observe masonry for proper protection during hot and cold weather. Verify type, size, and location of anchors, including details of anchorage of masonry to structural members, frames, or other construction. Report test results to personnel specified by contract documents.  
7.) Block Fill Grout and Mortar - Sample fresh, plastic grout and mold (4) samples for compressive strength testing each day of placement or each (4,000) square feet of wall, whichever occurs first. Report test results to personnel specified by contract documents.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is entered into this ____ day of _____, 2017 by and between the Carpet Capital Aquatics Club, Inc., a Georgia nonprofit corporation (CCAC) and the City of Dalton, Georgia, a Georgia municipal corporation (the City) (CCAC and the City being collectively referred to hereinafter as the Parties).

CCAC and the City have an existing and longstanding relationship concerning the use of swimming facilities. This MOU is not intended to change or otherwise affect that relationship as it relates to the current usage of swimming facilities. Rather, this MOU is in contemplation of new opportunities related to the expansion of available swimming time due to the installation of heating equipment. Accordingly, this MOU is designed to establish the guidelines and parameters for use of the swimming pool at the John Davis Recreation Center on Civic Drive during the “unscheduled” season for the City.

The unscheduled season represents the period of the year during which the City does not historically schedule activities for the pool based on weather trends and demand as limited by water temperature and other factors. For purposes of this MOU, the unscheduled season runs from October 1st through April 30th of the following year.

CCAC has secured philanthropic support for the installation of heaters and acquisition of equipment which will have the capacity to make the pool usable during the unscheduled season. The City affirms that it has no current plans to install heaters (absent the gift intended to benefit CCAC described herein) and that it has no current plans to expand its programming into the unscheduled season.

The City is willing to take responsibility for the routine maintenance of the heaters and related equipment as part of its pool operations; provided however, the City shall have no obligation to make any repairs or improvements to the heater or the related equipment. CCAC shall bear the sole responsibility for making any repairs and improvements, and all repair costs and costs associated with upgrades to the equipment will be the responsibility of CCAC. Additional operating costs, however, are not contemplated by the City budget and would not benefit City programming. Accordingly, the City will not be responsible for additional operating costs associated with the heaters or the use of the pool during the unscheduled season, including but not limited to an increased expense for natural gas associated with the heating and additional chemicals for the pool used during the unscheduled season.

CCAC will be responsible for the heating and chemical costs of the pool during the unscheduled season. The City will be responsible for maintaining records of the gas use associated with the heaters. The City of Dalton Finance Department will invoice CCAC for the cost of the monthly use of natural gas and any costs of the chemicals used by the City for routine maintenance of the pool during the unscheduled season. The pool heater is metered separate from other City meters, and the meter will only meter the natural gas used for the pool. CCAC will have the right to establish the temperature of the pool during the unscheduled season, and CCAC will ensure the pool is maintained at that temperature. CCAC will have the authority to completely turn the heaters off in the interest of saving money by providing thirty (30) days written notice of
CCAC’s intent to exercise such authority; provided however, CCAC shall bear full responsibility for any and all damages of whatever nature (whether in contract or tort) as a result of any such decision.

CCAC covenants and agrees that it will, at its sole cost, and at all times while this MOU is in effect, keep in full force and effect a policy of comprehensive public liability insurance with respect to the pool and the premises on which the pool is located in such amounts as the City shall require from time to time, but not less than $1,000,000.00 per occurrence and $2,000,000.00 policy aggregate for bodily injury (and death resulting therefrom) and/or property damage. Any insurance required hereunder shall be issued by a reputable insurance company licensed to do business in the State of Georgia with a rating of A:X or better by A.M. Best Company. All such policies shall name the City as an additional insured. All insurance policies described herein shall provide that the insurance shall not be cancelable prior to 60 days written notice thereof to the City. A copy of such policies and any renewals thereof or certificates of such insurance, as may be required by the City shall be delivered to the City at least 15 days prior to the expiration of the policies.

CCAC shall have the right to rent out lane time during the unscheduled season in the interest of recouping its costs for heating and chemicals for the pool. The Parties expressly agree that this right is not designed to be a profit center for CCAC. Accordingly, CCAC may not collect in rental more that 100% of the heating costs and costs associated with the chemicals for the pool incurred during any one unscheduled season. It is the responsibility of CCAC to maintain adequate records regarding pool usage and rent calculation. CCAC is also responsible for collection and/or refunds associated with lane usage rents. These records are to be maintained for public inspection upon request.

This MOU may be amended by the Parties by written agreement of both Parties. This MOU may be terminated by either party for any reason by notifying the other party in writing at least thirty (30) days in advance of the date of termination.

If the City wishes to schedule the pool during the unscheduled season, CCAC will work in good faith to accommodate the City.
Any notices required to be made pursuant to this MOU shall be delivered personally or sent by first class mail as follows:

TRAFFIC CONTROL CHANGE

Type:  ____________________________________________________________________________

"30-Minute Only" Parking for Loading/Drop-Off

Location: ____________________________________________________________

North side of Learning Way from 50’ west of Frances Street to Brookwood School gate (see attached map)

Comments: When vehicles are parked on the north side of Learning Way, it makes maneuverability for school buses entering/exitng Brookwood Elementary School and parents dropping off children at Rock Hill School difficult. There is an existing no parking condition on the south side of the street during arrival/dismissal hours of Brookwood School which will remain in effect. Once the Traffic Control Change is approved, the Public Works Traffic Division will post "30-Minute Only Parking for Loading/Drop-Off" signs to restrict on-street parking for a maximum of 30-minutes on the north side of Learning Way.

PO BOX 1205
DALTON, GEORGIA 30722
CONTRACT FOR SERVICES

THIS AGREEMENT is made this 20th day of November, 2017, between the City of Dalton, Georgia, a municipal corporation ("City"), with a principal place of business at 535 Elm Street, Dalton, Georgia, and Exterior, Inc. ("Contractor"), with a principal place of business at 4360 Highway 76 Chatsworth, GA 30705 (PO Box 2168, Chatsworth GA 30705).

1. Term. This agreement will become effective on the date stated above and will continue in effect until the services provided for under this agreement have been performed, unless otherwise terminated as provided in this Agreement.

2. Services.
   a. Contractor agrees to perform the services specified in the “Bid Alternates A, B, C, and D (lump sum bid) Specifications” attached to this Agreement as Exhibit A and incorporated herein.
   b. Contractor will determine the method, details, and means of performing the services described in Paragraph 2(a). Unless otherwise noted.
   c. Contractor may, at Contractor’s own expense and responsibility, employ any assistants that contractor deems necessary to perform the services required of Contractor by this Agreement. City may not control, direct, or supervise Contractor’s assistants or employees in the performance of those services. Contractor’s relationship to City shall be that of an independent contractor. Neither Contractor nor its employees shall have any right to participate in any City employee-benefit plan or program.

3. Consideration.
   a. In consideration for the services to be performed by Contractor, City agrees to pay to Contractor as provided in Exhibit B, attached hereto and incorporated herein.

4. Obligations of Contractor.
   a. Contractor agrees to devote the time set forth in Bid Alternates A, B, C, and D Specifications to the performance of the services described in this agreement. Contractor may represent, perform services for, and be employed by any additional clients, persons, or companies as Contractor, in Contractor’s sole discretion, sees fit.
   b. Contractor agrees that any services described in this Agreement that must be performed on City’s premises will be performed during Contractors chosen time.
   c. Contractor will supply all manpower to perform these services.
   d. Contractor agrees to provide workers’ compensation insurance for Contractor’s employees and agents and agrees to hold harmless and indemnify City for any and all claims arising out of any injury, disability, or death of any of Contractor’s employees or agents.
   e. Contractor agrees to maintain a policy of insurance in the minimum amount of $1,000,000 to cover any negligent acts committed by Contractor or Contractor’s employees or agents during the performance of any duties under this agreement. Contractor further agrees to indemnify and hold City harmless from any and all claims arising from any such negligent act or omission.
   f. Neither this Agreement nor any duties or obligations under this Agreement may be assigned by Contractor without the prior written consent of City.

5. Obligations of City.
   a. City agrees to give due consideration to all reasonable requests of Contractor necessary to the performance of Contractor’s duties under this Agreement.
   b. Neither this Agreement nor any duties or obligations under this Agreement may be assigned by City without the prior written consent of Contractor.
6. **Termination.**
   a. Unless otherwise terminated as provided in this Agreement, this Agreement shall continue in force until the services provided for have been fully and completely performed and shall then terminate unless renewed in writing executed by both parties.
   
b. Notwithstanding any other provisions of this Agreement, either party may terminate this Agreement at any time by giving ten (10) days written notice to the other party. Unless otherwise terminated as provided in this section, this Agreement shall continue in force until the services provided for have been fully and completely performed.
   
c. This Agreement shall terminate automatically on the occurrence of any of the following events.
      i. Bankruptcy or insolvency of either party.
      ii. Sale of the business of Contractor.
      iii. Death or dissolution of Contractor.
      iv. Assignment of this Agreement by either party without the consent of the other party.
   
d. If Contractor defaults in the performance of this Agreement or materially breaches any of its provisions, City, at City's option, may terminate this Agreement by giving two (2) days written notification to Contractor. For the purposes of this section, material breach of this Agreement shall be determined in the reasonable discretion of the City.
   
e. If City fails to pay Contractor all or any part of the compensation set forth in this Agreement on the date due, Contractor, at Contractor's option, may terminate this agreement if the failure is not remedied by City within ten (10) days after notice from Contractor that payment is overdue.

7. **Miscellaneous**
   a. Any notices to be given under this Agreement by either party to the other may be effected either by personal delivery in writing or by registered or certified mail, with postage prepaid and return receipt requested. Mailed notices shall be addressed to the parties at the addresses appearing in the introductory paragraph of this Agreement. However, each party may change the address for receipt of notice by giving written notice in accordance with this paragraph. Notices delivered personally will be deemed communicated at the time of delivery. Mailed notices will be deemed communicated two (2) days after mailing.
   
b. This Agreement supersedes any and all agreements, both oral and written, between the parties with respect to the rendering of services by Contractor for city and contains all of the covenants and agreements between the parties with respect to the rendering of these services in any manner whatsoever. Each party acknowledges that no representations, inducements, promises, or agreements, written or oral, have been made by either party, or by anyone acting on behalf of either party, that are not embodied in this Agreement. Any modification of this Agreement will be effective only if it is in writing signed by the party to be charged.
   
c. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without.
   
d. This Agreement will be governed by and construed in accordance with the laws of the State of Georgia.

Executed at Dalton, Georgia on the date first written above.
